F. DEATHS

- This is to advise you on February 18, 2024, **Barbara J. Parsell**, a retiree of Columbia County, passed away. Ms. Parsell selected Option Four (4) A. She elected to withdrawal, in one payment, of the total accumulated deductions of \$7,300.94 credited to your member account at retirement plus a monthly county annuity of **\$106.42** payable throughout her life. The option selected does not leave any money to a beneficiary. She collected \$24,263.76 from 2005 to current.
- This is to advise you on February 24, 2024, **Elizabeth A. Brennan**, a retiree of Columbia County, passed away. Ms. Brennan had selected Option One (1): She received a monthly pension of **\$654.66** payable for her lifetime. If she dies before her cumulative monthly pension payments equal or exceed \$75,754.54, the amount of her accumulated deductions plus the present value of her county-paid pension at her annuity start date, her designated beneficiaries would receive a lump sum payment equal to the excess of her total present value over the cumulative pension payments received to date.
Ms. Brennan exceeded \$75,754.54; therefore there isn't any balance due her beneficiaries
